

First Scientific and Practical Seminar

«SVIT GIS™ – 2010»

Solution and Vision of Information Technology

- ✓ *To the manager of the enterprise*
- ✓ *To the chief-engineer*
- ✓ *To the chief-geologist*
- ✓ *To the chief-surveyor*
- ✓ *To the chief-miner*
- ✓ *To the head of engineering department*
- ✓ *To the head of ACS department*

Dear Colleagues!

We would like to invite you to take part in scientific and practical seminar «SVIT GIS™ – 2010».

The seminar is devoted to the use of geoinformation system K-MINE® in various fields of human activity and will be held on 17-21 May in guest house "Krimskoye Primorye" (AR of Crimea, u.a. Kurortnoye, at the foot of Kara Dag).

SVIT GIS™ – 2010 is held with the support of Ministry for Environmental Protection of Ukraine, State Geological Service of Ukraine, National Research Institute for Industrial Security and Labour Safety, State Committee of Ukraine for Mineral Wealth.

Seminar subjects:

- modern technologies of geospatial information creation and monitoring;
- automated technologies of organization and conduct of mining and geological reporting funds;
- use of software tools for data processing of geological and geodetic prospecting;
- creation and use of mining automated control systems;
- complex design systems;
- systems of electronic workflow.

Representatives of the following institutions are invited to the seminar:

- enterprises extracting and processing mineral resources;
 - geological prospecting, exploration, geodetic institutions;
 - research organizations and design engineering firms;
 - state institutions;
 - educational institutions,
- as well as everybody interested in modern geoinformational systems.

Developers of K-MINE®, who will demonstrate its work, are also invited to the seminar. Participants of the seminar can personally work in the system and obtain experience of its exploitation.

NB! All the participants of the seminar will receive a CD with the graphics kernel of GIS K-MINE®.

Please, inform us about your intention to take part in the seminar.

Further information is placed on www.kai.com.ua in section SVIT GIS™ – 2010.

BEST WISHES, ORGANIZING COMMITTEE OF **SVIT GIS™ – 2010**
